<b>HISTORY</b>	
<b>History</b>	Sikora AG opened a branch office in Jundiai, near Sao Paulo, Brazil in October 2012, expanding its sales network to 12 worldwide offices.
<b>Key Developments</b>	<p>MAAG Group successfully completes the acquisition of SIKORA AG</p> <p>Oberglatt, June 12, 2025 – MAAG Group is pleased to announce the successful completion of the SIKORA AG acquisition, a leading manufacturer of innovative measuring, control, and sorting</p>

**COMPANY SEARCH REPORT**

	<p>technologies. The aim of the partnership is to leverage joint synergies in a targeted manner and to strengthen the position of both companies in the long term.</p> <p>With the successful completion of the transaction, MAAG and SIKORA will now combine their expertise to leverage new technological and geographical synergies, aiming at offering innovative solutions while providing expanded global support to customers.</p> <p>Ueli Thuerig, President MAAG Group, explains: “We are very pleased about this partnership. By combining our strengths and expertise, we are ideally positioned to create additional value for our customers, drive innovation in a targeted manner, and promote the long-term growth of both companies.”</p> <p>Dr. Christian Frank, CEO of SIKORA, comments on the closing: “We are proud to be officially part of the MAAG family now. This partnership goes far beyond standard cooperation – it is based on a shared commitment to innovation, entrepreneurial spirit, and sustainable action, which form the foundation for long-term success. It marks an important step in our shared future, opens up a wide range of opportunities, and strengthens our ability to develop innovative solutions. We look forward to working with MAAG to continue our success and growth in a sustainable way.””</p>
