Share Capital	<p>The minimum share capital of a limited liability company is 1000 EGP (€150). The nominal value of the share cannot be less than 1000 EGP. Any shareholder can sell his or her shares to outsiders providing that he has already offered them to the other shareholders.</p> <p>If a foreign partner(s) in a limited liability company wishes to repatriate his or her capital out of Egypt, he or she has to sell his or her shares or liquidate the company (if he or she actually owns all or most of it), deposit the proceeds of sale or liquidation in an account at one of the accredited banks in Egypt, and the bank will realise the required repatriation of the funds, free of any taxes or duties.</p>
Officers	<p>Every exempted company must have either a President and a Vice-President, or a Chairman and a Deputy Chairman. These officers are elected as soon as practicable after the annual general meeting. In addition, a company must have a secretary and may appoint a resident representative. Other officers, such as a treasurer and an assistant secretary are optional.</p>

One of the largest Egyptian conglomerates, Wadi Degla Holdings, has made what is widely touted as the single largest private investment in sporting facilities in Kenya this year.

The sports and club investor signed a memorandum of agreement with Home Afrika this week estimated at \$23 million. The deal involves investment in the golf course, building of club facilities and management of the sporting facilities.
